*"A small body of determined spirits fired
by an unquenchable faith in their mission can alter the course of history."*

It is the month of March with magnolias in bloom and once again, it is my sincere pleasure to welcome you all to flip through the pages of our 5th successful edition of the e-Magazine of St. Joseph's Convent Higher Secondary School. Six decades of existence is a remarkable accomplishment for the Josephites. Today, with our beloved school, poised on the threshold of a new era, as we stepped into the 60th year, we proudly look back in gratitude at the past that is fast receding behind us. Although the outbreak of Covid-19, created a global health crisis, we were blessed to have the offline mode for a period of 5 months in 2020. Again, the new variants and the rate of contagion and pattern of transmission led to temporary shutdown of schools from the 6th of January 2022. To our relief they were reopened again from 2nd February 2022. We were fortunate to conduct the inaugural ceremony of our foundation day on 11th February 2022 in the divine premises of our school. This is indeed a testament that despite the hardships, disruption and uncertainty brought by the pandemic. Our students were resilient to show their undisguised fondness for their school. Our proactive students did not deter from producing their creative skills. The e-Platform acted as a facilitator to tune their sparks and to launch their potential. The students' familiarity and proficiency in the world of technology has helped us in the documentation of the e-Magazine.

It chronicles the events and progress made by the Josephites through the past year that have unfolded in our campus. We hope to have encapsulated the works of our shining Josephites. This e-Magazine is our contribution to a long line of Josephites excellence. We eagerly look forward to your encouragement Principal Sr. Anjana in sustaining the momentum. I take this opportunity to thank all our students, staff and parents for creating such a vibrant, exciting and stimulating environment to lead the legacy of Josephites always in the frontier. It is our sincere hope that this kaleidoscopic e-Magazine will be a breath of fresh air and the beginning of a lifelong association.
